ich les mir grad ein paar bash.org quotes vor (die weitaus besser sind als die standartisierten german-bash.org quotes, wie ich finde) und einige will ich euch nicht vorenthalten, weil sie entweder witzig oder erwähnenswert wahr sind:

<@Chin^> My sister caught me jacking off the other week and calls me a pervert

<@Chin^> just the other day i walked into my room and caught my sister masturbating

<@Chin^> So she calls me a pervert again?!?

<@Chin^> there is no justice in the world...

DragonflyBlade21: A woman has a close male friend. This means that he is probably interested in her, which is why he hangs around so much. She sees him strictly as a friend. This always starts out with, you're a great guy, but I don't like you in that way. This is roughly the equivalent for the guy of going to a job interview and the company saying, You have a great resume, you have all the qualifications we are looking for, but we're not going to hire you. We will, however, use your resume as the basis for comparison for all other applicants. But, we're going to hire somebody who is far less qualified and is probably an alcoholic. And if he doesn't work out, we'll hire somebody else, but still not you. In fact, we will never hire you. But we will call you from time to time to complain about the person that we hired.

haha, last night, me and pete went out to celebrate his engagement and got hugely drunk

we got this great idea to bury eachother in the sand close to the water and see who would chicken out first

took about a half hour, but the water got up to my face so i freaked and got out

i looked around for pete and he must've chickened out before me and stumbled home or something heh

What'd he say when he woke up this morning?

uhh.. he hasn't come home yet.. i thought he was staying with you?

holy fuck.

i fucking hope im wrong about what im thinking right now

im fucking going back to the beach to make sure

if he gets home, call me, i don't want to be worrying about this

if ken shows up, make sure he doesn't know that im at the beach digging for his body. i don't want him to think i care or anything.

quit: (PeteRepeat)

It seems you have been leading two lives, Mr. Anderson. In one life, you are Robert Anderson, assistant cook at a Jack in the Box in Mesquite....in the other...you go by the chat alias "Randerson"...spreading homosexual propoganda, lying, and being a generally immature pest...

One of these...has a future.

LMAO OMFG where's the phone, I have to tell Dean about this

How can you use the phone when you cannot...speak?

A worldwide survey was conducted by the UN. The only question asked was: "Would you please give your honest opinion about solutions to the food shortage in the rest of the world?"

The survey was a huge failure...

In Africa they didn't know what "food" meant.

In Eastern Europe they didn't know what "honest" meant.

In Western Europe they didn't know what "shortage" meant.

In China they didn't know what "opinion" meant.

In the Middle East they didn't know what "solution" meant.

In South America they didn't know what "please" meant.

And in the USA they didn't know what "the rest of the world" meant
