

Spams...

Zelder - 14.1.2005 um 19:32

In letzter Zeit bekomme ich immer Mails mit einem ähnlichen Inhalt. Irgendeine Person irgendwo in dieser Welt hat eine unglaubliche Summe Geld, über die es aber meist nicht direkt verfügen kann. Das Geld liegt meist irgendwo im Ausland bei Firmen. Manchmal wird eine Vermittlerperson gesucht, und man bekommt dann 20 % oder so. □

Heute kam wieder eine, ich poste sie mal.

Habt ihr auch schon solche Mails bekommen?

Ps. Ignorieren habe ich schon versucht, die kommen regelmässig und ich hab im Inet nix vernünftiges gefunden

from mrs,judith elliot whales.

I am the above named person from Malaysia but now undergoing medical treatment in London. I am married to Dr.davis elliot whales who worked with Malaysia embassy in South Africa for nine years before he died four years ago. We were married for eleven years without a child. He died after a brief illness that lasted for only four days. Before his death we were both born again Christians. Since his death I decided not to re-marry or get a child outside my matrimonial home which the Bible is against. When my late husband was alive he deposited the sum of twenty-seven Million six hundred thousand U.S. Dollars with one faniance/security company in Europe. Presently, this money is still with the Security Company. Recently, my Doctor told me that I would not last for the next three months due to cancer problem. Though what disturbs me most is my stroke. Having known my condition I decided to donate this fund to church or better still a christian individual that will utilize this mon!

ey the way I am going to instruct here in. I want a church or individual that will use this to fund churches, orphanages and widows propagating the word of God and to ensure that the house of God is maintained. The Bible made us to understand that Blessed is the hand that giveth. I took this decision because I don't have any child that will inherit this money and my husband relatives are not ChristianS and I dont want my husbands hard earned money to be misused by unbelievers. I donot want a situation where this money will be used in an ungodly manner, hence the reason for taking this bold decision. I am not afraid of death hence I know where I am going. I know that I am going to be in the bossom of the Lord. Exodus fourteen verse foruteen says that the lord will fight my case and I shall hold my peace. I dont need any telephone communication in this regard because of my health,and because of the presence of my husband's relatives around me always. I donot want them to know !

about this development. With God all things are possible. As !

soon as I receive your reply I shall give you the contact of the Finance/Security Company Europe. I will also issue you a letter of authority that will empower you as the original- beneficiary of this fund. I want you and the church to always pray for me because the lord is my shephard. My happiness is that I lived a life of a worthy Christian. Whoever that wants to serve the Lord must serve him in spirit and truth. Please always be prayerful all through your life. Any delay in your reply will give me room in sourcing for a church or christian individual for this same purpose. Please assure me that you will act accordingly as I stated herein. Hoping to hear from you via my private email box: judithelliot@katamail.com

hab ich noch nie gesehen. aber ich mach das bei mir immer so das ich einen redir vor meine eigentliche addy setze. also ich gebe, wenn ich mich irgendwo anmelde, immer den redir ein (eine emailadresse, die alle emails weiterleitet). und wenn ich zuviel spam kriege, lasse ich den redir löschen.

Bei mir kommen solche Mails nur ab und zu mal an. Also nicht so extrem, dass es mich nerven würde. Teilweise sind die Verschicker solcher Mails erstaunlich kreativ. Ich hatte schon mal ne Mail bekommen von einem Neffen irgendeines ermordeten afrikanischen Staatspräsidenten, der von Putschisten verfolgt wird und deshalb das gesamte Vermögen seines Onkels auf mein Konto überweisen wollte. (?)

Witzig.

Naja, ich hab keine Ahnung, was die damit bezwecken wollen, so nen offensichtlichen Schwachsinn zu verzapfen. Ich nehme aber mal stark an, dass man, bevor man das versprochene Geld bekommt, erstmal gewisse Zahlungen leisten muss.

Wenn sie nen gutgläubigen Deppen finden, der denen die Geschichte abnimmt, dann überweist der halt ein paar hundert Euro auf ein ausländisches Konto, um irgendwelche Beamte im afrikanischen Hinterland zu bestechen oder so... und hört danach nie wieder was von dem angeblichen Neffen.

Gibt sicher ein paar Dummies, die auf sowas reinfallen. Erst recht, wenn in der Mail noch ein paar Bibelzitate vorkommen... :D

Ja so wird das denke ich auch ablaufen. Ich überlege mir mal zum Schein darauf einzugehen. Aber wenn die merken das meine Addy nicht tot ist, werde ich vermutlich erst recht zugesamt.

Ansonsten nehme ih das auch mit Humor...

Und der kam eben:

(For your amusement)

"

Greetings to you,

Before I introduce myself, I wish to inform you that this letter is not a hoax mail and I urge you to treat it serious. This letter must come to you as a big surprise, but I believe it is only a day that people meet and become great friends and business partners. My name is Mr. Michael Lamptey, the present branch Manager of a bank here in Ghana. I write you this proposal in good faith, believing that I can trust you with the information I am about to reveal to you. Like I said, I have a transaction that will benefit both of us, as your assistance is required as a foreigner.

I use to head the Accounts department in my bank head office, but last December I was asked to take position of a Manager of our branch in Kumasi who passed on, so that was how I became the present Manager and discovered a fortune. As I resumed duty, I discovered an account with total sum of \$12,500,000 million that has not been operated on for the past 4 years. From my investigation, I found out that this account belongs to one Late Mr. Morris Thompson an American great industrialist and a resident of Alaska, who unfortunately lost his life in the plane crash of Alaska Airlines Flight 261 which crashed on January 31 2000, including his wife and only daughter. You shall read more news about the crash on visiting this site which I got during my investigation; <http://www.cnn.com/2000/US/02/01/alaska.airlines.list/> and <http://www.nativefederation.org/history/people/mThompson.html>

The account is escrow call account, a secret type of account in my bank and no other person knows about this account or any thing concerning it, the

account has no other beneficiary. I have kept a close monitoring of the account since then and nobody has come forward to ask about the money as next of kin to the late Mr. Morris Thompson, meaning that no one is aware of the account. I cannot directly take out this money without the help of a foreigner and that is why I am contacting you for an assistance to claim the funds and share it with me. As the Manager of my bank branch, I have the power to influence the release of the funds to any foreigner that comes up as the next of kin to the account, with the correct information concerning the account, which I shall give you.

I am seeking your co-operation to present you as the next of kin to the account, so that my bank head quarters will release the funds to you. There is practically no risk involved, the transaction will be executed under a legitimate arrangement that will protect you from any breach of law.

If you accept to work with me, I want you to state how you wish us to share the funds in percentage, so that both parties will be satisfied. Contact me as soon as you receive this message if you feel we can work together, so we can go over the details. Thanking you in advance and may God bless you. Please, treat with utmost confidentiality. I wait your urgent response. You can as well contact me by fax, +233 27621073 and my phone number is +233208216645.

Regards,

Mr. Michael Lamptey.
