gefällt mir einfach nur =)

Freedom Call - Pharao
Crystal Empire

Ramses - Pharao
Wiseman - Giant in the sky
Ramses - Pharao
God of wisdom - King of paradise

You're the king and the priest
Creator of life
Of a nation strong and tight
You're word is the law
All knowing, all wise
With mercy in you eyes

The god of all deliverance sends a sign
He's the god of deliverance

A love that's stronger than hate
A will that's stronger than fate
Chosen to rule the land from the Nile
Born to sacrifice your life

Without you, we feel alone and sad
Without you, we feel the void inside

I'm the river, the giver of life
I'm the one, your will to survive
I'm the sun, the source of light
I'm the moon, diamond in the night
I'm the air, the wind and the breeze
I'm the one, the bringer of ease
I'm the the breath of eternity
I'm the hand of destiny

I'm the air, the wind and the breeze
I'm the one, the bringer of ease
I lead your soul to eternity
I set your spirit free

Linkin Park - Easier To Run
Metora

Chorus:

It's easier to run
replacing this pain with something numb
it's so much easier to go
than face all this pain here all alone

something has been taken
from deep inside of me
a secret I've kept locked away
no one can ever see
wounds so deep they never show
they never go away
like moving pictures in my head
for years and years they've played

(2x)

if I could change I would
take back the pain I would
retrace every wrong move that I made I would
If I could
stand up and take the blame I would
If I could take all the shame to the grave I would

Chorus(1x)

sometimes I remember
the darkness of my past
bringing back these memories
I wish I didn't have
sometimes I think of letting go
and never looking back
and never moving forward so
there would never be a past

(2x)

if I could change I would
take back the pain I would
retrace every wrong move that I made I would
If I could
stand up and take the blame I would
If I could take all the shame to the grave I would

just washing it aside
all of the helplessness inside
pretending I don't feel misplaced
is so much simpler than change

it's easier to run
replacing this pain with something numb
it's so much easier to go
than face all this pain here all alone

it's easier to run
if I could change I would
take back the pain I would
retrace every wrong move that I made
it's easier to go
if I could change I would
take back the pain I would
retrace every wrong move that I made I would

If I could
stand up and take the blame I would
If I could take all the shame to the grave
